

DID YOU KNOW....?

If you live in Scarborough and are a CARP member, you are automatically a member of the Scarborough Chapter.

If you would like to join CARP, let us know – we'd be glad to help!

Why not come to a meeting or contact us with ideas, comments, suggestion, issues...
whatever matters to YOU?

ABOUT CARP:

CARP is a non-partisan national organization, advocating for the fair treatment of seniors across Canada. Local chapters, staffed by volunteers, advocate for issues specific to the local community while also supporting national issues.

CARP activities are fun! You will meet folks from your area, exchange ideas, discuss problems and find out what solutions others may have found for similar problems.

Scarborough CARP Chapter

Our **Scarborough CARP Chapter #29** launched in May 2012. We are a group of concerned people, aged 30 years and up, having a wide variety of interests, experience and knowledge in the three major CARP areas of **Advocacy**, **Benefits** and **Community**.

Future meeting topics may include issues such as:

- ✓ Nutrition and Wellness
- ✓ Caretaking at Home
- ✓ Financial Planning
- ✓ Recreation and Travel
- ✓ Lifelong Learning
- ✓ Elder Abuse
- ✓ Transportation
- **Members' issues – suggestions welcome!**

We usually meet every other month, at Centennial College, Progress Campus (with plenty of free parking). We also attend related community events in Scarborough and the GTA.

Get to know us better – look inside...

CHAIR = Gary Butler

Gary recently retired as Director of the Centre for Financial Services (CFS), Seneca College, after a career spanning various senior management positions in a wide range of businesses. Gary and his wife, Sheila, are looking forward to his retirement, allowing them to spend more time with their families, especially their four grandchildren.

VICE CHAIR = Kerry McCauley

Kerry has been retired now for 6 years after a career as a Computer Operator and Library Technician. Currently he is a volunteer Library Technician for East Metro Youth Services and the Heart and Stroke Foundation. His hobbies are stamp collecting, model train railroader and world traveller.
