*Mr. Anthony Quinn  
Director, Community Development  
CARP

*Dear Mr. Quinn,*

*It was with great regret that I learned of Lillian Morgenthau's passing.*

*Thanks to Lillian, CARP's contribution to the well being of Canadian seniors was extraordinary. We had many lively discussions and I always looked forward to them. She didn't pull her punches and she always made the Finance Minister's occupation a lively one.*

*We will certainly miss her.*

*The Right Honourable Paul Martin*
