

An Invitation to ALL Ward 3 & 4 Residents & Business Owners

Plan to Attend the 1st

ANNUAL WARD 3 & 4 COMMUNITY MEETING

with City **Councillors Mo Salih** (Ward 3) and **Jesse Helmer** (Ward 4)

*Hosted, facilitated and supported by Northeast Residents In Action; Kipps Lane & Community;
North East London Community Engagement & Old East Village Community Association*

*At our invitation, both Councillors have agreed to provide **YOU** with a status report on their work; bring **YOU** up to speed on current hot topics at Council; and hear from **YOU** on what **YOU** would like to see as ways we can work together to build a healthier residential and business community way of life in Wards 3 and 4. Share your feedback, opinion, concerns and needs heard on what is needed to make the streets and neighbourhoods of Northeast London, an even better place in which to live, work and play.*

- What have Councillors Salih and Helmer each accomplished in their first year on Council?
- What city services/programs/facilities are lacking in your neighbourhood?
- What do you want them to advocate for in your Ward and in London?
- How can we take advantage of the annual SPARK Neighbourhood Matching Fund?
- What is your vision for Northeast London?

***YOU** are an important part of Northeast London - don't miss out speaking up, sharing in, and contributing to the growth and development of our neighbourhoods in NE London.*
